Dedicated Support for Your Bylvay® Patients and Their Families

IPSENCARES®

Coverage, Access, Reimbursement & Education Support

 **Bylvay**®
(odevixibat)

200 | 400 | 600 | 1200 mcg capsules

Getting Started With IPSEN CARES®

How to Enroll

Enrolling your patient is as easy as filling out an IPSEN CARES Enrollment Form with your patient and having the patient review and sign the patient authorization.

Choose the method that works best for your office.

Fill Out and Submit Online

Complete and submit the form with your patient online at IPSENCARES.com

Fill Out Online and Fax

Complete the form online at IPSENCARES.com, print, sign, and fax to (855) 465-3820

Enroll on Paper and Fax

Print the form, available at IPSENCARES.com, then complete and fax to (855) 465-3820

Patients may also sign a Patient Authorization Form online at IPSENCARES.com.

We'll Take It From There

- Someone from the IPSEN CARES team will reach out to your patient after enrollment
- The IPSEN CARES team offers support related to healthcare decisions that have been made between patients and their healthcare providers
- IPSEN CARES is committed to keeping your patients informed along the way

Enrolling Patients Is Easy

Personalized Support Services

Financial & Insurance Assistance

- Benefits investigation to help understand the patient's health insurance coverage
 - Financial assistance through the Copay Assistance Program
 - Patients may pay as little as \$0 for each Bylvay® (odevixibat) prescription if they have commercial insurance and meet eligibility criteria*
 - Free drug through the Patient Assistance Program for eligible* patients
 - Prior authorizations and appeals support
-

Dedicated, Individualized Support

- Information and support to facilitate interactions between the healthcare provider, patient and family, insurance company, and specialty pharmacy
 - Guidance based on the patient's specific situation and healthcare needs
-

Continuity of Care

- Coordination of details associated with patient transitions
 - Support for ongoing treatment logistics (including relocation, vacations, transitions from pediatric to adult clinics, insurance changes, and other events affecting continuity of care)
-

Educational Materials and Programs

- Provide educational information to patients and caregivers related to the patient's condition and prescribed treatment expectations
 - Provide information about advocacy groups that support your patient's condition, as well as advocacy groups for the broader community who are impacted by the condition
-

*Please see terms and conditions at [IPSECARES.com](https://www.ipsecares.com).
