Talk With Your Provider About the Nurse Home Health Administration Program

Our nurses can help you get connected with treatment

- There is no cost to you
- Nurse Home Health Administration must be requested by your provider
- You must be enrolled in IPSEN CARES for a nurse to come to your home or location of choice

Contact IPSEN CARES to learn more about eligibility and if this program is right for you.

Actor
portrayal

*Patient Eligibility for Nurse Home Healthcare Administration: A physician must prescribe Somatuline Depot to be administered by Home Health Administration for the patient. The program is available to most patients covered by commercial insurance plans. Patients are not eligible if prescriptions are paid in part or fully by any state or federally funded programs, including, but not limited to, Medicare or Medicaid, VA, DOD or TRICARE. Residents of Massachusetts, Michigan, Minnesota, and Rhode Island are not eligible.
