# Getting Started With IPSEN CARES®

## How to Enroll

Enrolling your patient is as easy as filling out an IPSEN CARES Enrollment Form with your patient and having the patient review and sign the patient authorization.

**Choose the method that works best for your office.**

### **Fill Out and Submit Online**

Complete and submit the form with your patient online at [IPSENCARES.com](https://IPSENCARES.com)

### **Fill Out Online and Fax**

Complete the form online at [IPSENCARES.com](https://IPSENCARES.com), print, sign, and fax to (888) 525-2416

### **Enroll on Paper and Fax**

Print the form, available at [IPSENCARES.com](https://IPSENCARES.com), then complete and fax to (888) 525-2416

**Patients may also sign a Patient Authorization Form online at [IPSENCARES.com](https://IPSENCARES.com).**

## We'll Take It From There

- Someone from the IPSEN CARES team will reach out to your patient immediately after enrollment
- The IPSEN CARES team offers support related to healthcare decisions that have been made between patients and their healthcare providers
- IPSEN CARES is committed to keeping your patients informed along the way

Enrolling Patients Is Easy

# Personalized Support Services

## Financial & Insurance Assistance

- Initiation of benefits investigation to help patients understand their health insurance coverage
  - Financial assistance programs for eligible patients\*
  - Coordination of treatment logistics related to prior authorizations
- 

## Dedicated, Individualized Support

- Information and support to facilitate interactions between the healthcare provider, patient and family, insurance company, and specialty pharmacy
  - Guidance based on the patient's specific situation and healthcare needs
- 

## Continuity of Care

- Coordination of details associated with patient transitions
  - Support for ongoing treatment logistics (including relocation, vacations, transitions from pediatric to adult clinics, insurance changes, and other events affecting continuity of care)
- 

## Educational Materials and Programs

- Provide educational information to patients and caregivers related to the patient's condition and prescribed treatment expectations
  - Provide information about advocacy groups that support your patient's condition, as well as advocacy groups for the broader community who are impacted by the condition
  - Information about lab testing (some insurance plans may require testing before providing coverage—the IPSEN CARES team can provide information regarding the different places where testing may be available)
-
