The Patient Assistance Program (PAP) is designed to provide ONIVYDE® (irinotecan liposome injection) at no cost to eligible patients. Patients may be eligible to receive free drug if they are experiencing financial hardship, have no insurance coverage, and received a prescription for an on-label use of ONIVYDE, as supported by information provided in the Program application. Eligibility does not guarantee approval for participation in the program. The PAP provides ONIVYDE product only, and does not cover the cost of previously purchased product or medical services.

**PATIENT AUTHORIZATION**

I authorize my doctor(s) and their staff to disclose my personal health information (“PHI”), including information about my insurance, prescription, and medical condition to Ipsen Biopharmaceuticals, Inc. and/or its agents or third party vendors (collectively, “Ipsen”) and the ONIVYDE® Patient Assistance Program (the “PAP”). I know that the information I provide will be used by the PAP to: (1) decide if I am eligible for assistance; (2) operate the PAP; (3) send me information about the PAP and other programs that might help me pay for my medicines; (4) send my information to other programs that might help me pay for my medicines; (5) ask me for financial, insurance, and/or medical information; and/or (6) share my information as required or permitted by law. I authorize the PAP to use information on this Application and any other information I give to the PAP for these same reasons. I also give Ipsen permission to share my PHI and other information with people and companies that work with the PAP; government agencies, including the Centers for Medicare and Medicaid Services; insurance companies, including Medicare Part D plans; my doctor(s) and other people, or institutions who are involved in my healthcare, such as pharmacies and hospitals; and/or other organizations that might help me pay for my medication. All information that I provide may be used by Ipsen, or any third party working on behalf of Ipsen, in connection with the PAP. I understand that once my PHI has been disclosed to Ipsen, it is no longer protected by federal privacy laws and Ipsen may re-disclose it; however, Ipsen has agreed to protect my PHI by using and disclosing it only for the purposes described above or as required by law. I can withdraw this authorization by contacting IPSEN CARES® at 1-866-435-5677 or mailing a letter requesting such revocation to IPSEN CARES®, 11800 Weston Parkway, Cary, NC 27513, but it will not change any actions taken before I withdraw this authorization. Withdrawal of this authorization will end further uses and disclosures of PHI by the parties identified in this form except to the extent those uses, and disclosures have been made in reliance upon this authorization. I understand that I may refuse to sign this form and, if I do so, I will not be able to participate in the PAP, but it will not affect my eligibility to obtain medical treatment, my ability to seek payment for this treatment or affect my insurance enrollment or eligibility for insurance coverage. This authorization expires one year after the date I sign it below. I understand that I will receive a copy of the signed authorization.

I promise that any information, including financial and insurance information, that I provide to the PAP is complete and true, and unless I have said something different in this application, I have no insurance coverage for this product, which includes Medicaid, Medicare, or any public or private assistance programs or any other form of insurance. If my income or health insurance coverage changes, I will notify IPSEN CARES® at 1-866-435-5677. I understand that Ipsen has the right to contact me directly to confirm receipt of medications. Ipsen may revise, change, or terminate this program at any time.
